

MANNOL Plastic Cleaner 9979

High-performance cleaner designed for thorough cleaning of plastic interior surfaces. Effectively removes heavy dirt, fingerprints, grease, oily residues, and traces of protective agents. Its gentle formula cleans without damaging the surface and leaves a pleasant fresh scent.

Properties:

- Removes stubborn dirt and grease with ease.
- Suitable for most plastic interior surfaces. Before use, test on a small, inconspicuous area.
- Leaves no streaks when used correctly.
- Restores a clean, fresh appearance.

Application:

Remove loose dust and debris from the surface before application. Spray the product evenly onto the surface using the trigger or apply it to a clean microfiber cloth. Wipe the surface thoroughly, then remove dissolved dirt with a clean, damp cloth. Finish by wiping the surface dry with a clean microfiber cloth.
